### April's Theme: Transportation

So many ways to get from A to B and we will be discovering them all.....

### Our Character Attribute: Helpful

To offer assistance to others even if not asked to do so.

### Spring Reminder to Parents

We have hats on children all year round. As the sun starts to warm up please can you ensure your child has a sun hat at school.

Please also apply sunscreen before your child comes to school so they are ready to play outside. Teachers will apply before children go out in the afternoon. Thank you

### Earth Activities Week

During the week of April 22-26, we will be exploring different activities and ways that we can take care of our planet while learning about nature and having fun whilst doing it.

## Would you be willing to give Queen of Hearts a five star rating?

We are looking to increase our online presence this year to support our Nursery School and School Age programs. Part of that is relying on referrals and reviews, they are so important to us. One or two incorrect or untrue reviews can really have an effect on our Google rating. We would ask that you consider leaving a 5 star Google review if you are happy with the service we offer your children and family.

Thank you in advance. Carron
