MONTHLY NEWSLETTER

Through the Looking Glass

Dear Parents

Fall has arrived and as such the weather is unpredictable. Please make sure your children come to school with adequate clothing for the weather and a change of clothing. We still go out and play but if the children get wet or dirty they will need to be changed. November and December are such exciting and busy months for us in the Nursery Schools with Christmas Carols to practice and excitement about Santa visiting. There will be lots of reminders of activities coming up on the daily reports. Wishing you health and happiness, Carron

NOVEMBER'S REMINDERS

Remembrance Day - Tuesday November 11

Please, can children wear red to school this day. We are going to be having a quiet reflection time and a minute of silence at 11am. Thank you.

Little People, Big Voices - Friday November 28

We will continue to look at ways to care for our earth. To show your support, it would be great if you could send your child **in green** and we will be focusing on different aspects of earth care each month.

Giving Tuesday - November 1-December 2

Throughout November we will be collecting food donations for those in need. Please bring these items into school and we will deliver them at the end of the month.

Parent Appreciation Morning - Wednesday November 5

Start your day the Queen of Hearts way and join us any time between 7:15am to 8:45am. Spend a little time with your children in their classroom before heading off to work. Refreshments will be served and take outs are available for those needing to "grab and go".

Fundscrip Order - Nov/Dec 2025

A new fundscrip order has gone out, due on November 21. Fundscrip makes holiday shopping easy for parents to purchase the gift cards they want without ever having to visit a store. Co-workers and family members of parents are more than welcome to purchase cards through this program, with every order providing additional fundraising to the schools without placing additional costs on parents.

November's Theme: Family

What is family? We will be comparing family structures, creating a family tree, and comparing human families with animal families

Our Character Attribute: Trust

Learning to believe in one another, as well as oneself, in any situation

Geography: Denmark and Sweden

This month's geography lessons will have our children exploring the wonders of Denmark and Sweden, including their wonderful foods, traditional dress, and unique plants and animals.

Bread and Milk Bag Collection

We are asking that families save and bring in empty bread, milk, and other usable plastic bags to your child's school. We use these for sending home wet or soiled clothing each day, and prevents messes in the children's drawstring bags.

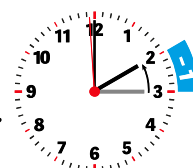

Vacation Days

Please send an email if you need to book vacation days to carron@queenofheartsnurseryschool.com. This will ensure you are credited in a timely manner. Thank you

Labelling

Don't forget to label your child's belongings, especially hats, gloves, and other small items.
