Through the Looking Glass

Dear Parents

September is a time for welcoming new parents and children to our Queen of Hearts family. I hope you all settle in and feel comfortable very quickly. We are always at hand should you wish to talk to us or call during the day. Queen of Hearts will be closed Monday September 7 for Labour Day and we wish you all a wonderful long weekend.

Please note your Nursery School telephone number below. This is particularly useful if you have an immediate change or request, as it gets you in contact with your child's school straight away. Carron.

SEPTEMBER'S REMINDERS

First Day of Fall Celebration - Tuesday September 22

What a wonderful season Autumn is. The children will be exploring the changes and enjoying the fallen leaves on this day and over the next few weeks.

Parent Appreciation Morning - Thursday September 24

Start your day the Queen of Hearts way and join us any time between 7:15am to 8:45am. Spend a little time with your children in their classroom before heading off to work. Refreshments will be served and take outs are available for those needing to "grab and go".

Little People, Big Voices - Friday September 25

Our Little People, Big Voices will be held on Friday September 26 and we will continue to look at ways to care for our earth. To show your support it would be great if you could send your child **in green**. We will be focusing on different aspects of earth care.

Day of Reconciliation - Wednesday September 30

We will be **wearing orange** today as our part in the healing process and respect for our neighbours and friends.

Do You Have Any Reusable Materials?

Queen of Hearts has always reused and recycled items in our daily activities in the classrooms. If parents have any scrap materials that they wish to bring in, they can be brought in at drop off and pick up times. Useful items are cereals boxes, ribbons, paper, buttons, string, etc.

September's Theme: All About Me

Why are we different? Why are we the same? Let's look at our body and what our favourite foods and activities are. Focusing on each child as an individual and as a group of friends.

Geography: Canada

Exploring the different cultures, languages, landmarks and wildlife that we find in our own home country.

Our Character Attribute: Independence

Using our self help skills to achieve goals and success.

Getting The Most Out Of Queen of Hearts

It is important to us that all children are given an equal opportunity to grow and develop, learning new things and joining in new activities. Structure and routine are key to how we do this. Most of the structured learning takes place in the morning with more free play time in the afternoon. It is our job to ensure your children feel loved, secure and ready for their next educational steps.

Parents – You can help your child by ensuring drop off times are before our Wake and Shake music and movement at 8:30am or before morning snack at 8:45am. Your child will settle better and be ready and eager for all that awaits them after morning snack. They will have bonded with friends and feel much more a part of activities. Thank you

Getting Ready for Autumn

It's that time of year when the children need to be prepared for those rainy and cold days. Good rain boots, warm hats and splash pants are the best thing for outdoor play times to ensure your child stays warm and dry. A change of clothes is important too. Thank you.
