MONTHLY NEWSLETTER

Through the Looking Glass

Dear Parents

Thank you to all our families that made it to the Meet the Team night. It was lovely seeing you all. Fall has arrived and as such the weather is unpredictable. Please make sure your children come to school with adequate clothing for the weather and change of clothing. We still go out and play but if the children get wet or dirty they will need to be changed. November and December are such exciting and busy months for us in the Nursery Schools with Christmas Carols to practice and excitement about Santa visiting. There will be lots of reminders of activities coming up on the daily reports. Remember to visit the website for menus, events, staff profiles, the Nursery curriculum and other information. If you don't have your parent access code for the parent portal please contact us. Wishing you health and happiness, Carron
