MONTHLY NEWSLETTER

Through the Looking Glass

Dear Parents

Happy Autumn, we hope you are enjoying this beautiful Fall weather as much as we are at school. As the days get crisper the children are excited to see all the changes, particularly the change in leaf colour. October is such an amazing month and as we start to think about the change in season we ask that children have wet weather gear available for those rainy days. Thank you to all families that attended the Parent Appreciation morning last week. Wishing you all a very blessed Thanksgiving. Carron

OCTOBER'S REMINDERS

Thanksgiving Celebration - Friday, October 9

The children will be celebrating and giving thanks on this activity filled day.

October's Theme: Fall

This month's theme focuses on activities and learning on the change of season. The children will spend much time observing the natural changes to the outdoor environment and bring this indoors to their art, math, science, language and other areas of learning and development.

Our Character Attribute: Dedication

To always finish a task and always be there for our friends and family.

Geography: Germany and Belgium

In October we will explore the different traditions, foods, and languages of these countries.

Bread and Milk Bag Collection

We are asking that families save and bring in empty bread, milk, and other usable plastic bags to your child's school. We use these for sending home wet or soiled clothing each day, and prevents messes in the children's drawstring bags.

Label, Label, Label!

Don't forget to label ALL of your child's belonging. This includes hats, gloves, pants, shoes and other small items

Little People, Big Voices - Friday October 23

Our Little People, Big Voices will be held on Friday October 23 and we will continue to look at ways to care for our earth. To show your support it would be great if you could send your child **in green**. We will be focusing on different aspects of earth care.

Halloween Celebration - Friday October 30

The Fall and Halloween Celebration will be on Friday October 30. All children are welcome to bring a costume (please, no masks) and enjoy the games and activities. We ask that parents please send the costume with your child's name and the teachers will place the costume on once the children have eaten and used the washrooms. We want to be sure we send the costume home spill free.

Giving Tuesday - November 2 - November 30

Throughout November we will be collecting food donations for those in need. Please bring these items into school and we will deliver them at the end of the month.

REMINDER

All schools and QYC programs will be closed on Monday, October 12 for Thanksgiving.

Nursery School telephone numbers:

Queen of Hearts Owen Sound - 226 668 6886
Queen of Hearts Owen Sound North - 548 877 0631
Queen of Hearts Owen Sound South - 548 877 0574

Step Into Autumn

It's that time of year when the children need to be prepared for those rainy and cold days. Good rain boots, warm hat and splash pants are the best thing for outdoor play times to ensure your child stays warm and dry. A change of clothes is important too. Thank you.

UPCOMING EVENTS

QYC Specialty PD Day. October 16

(Ages Kindergarten to 12 Years)

This October, we will be introducing a Fall Global Guardians PD day. Children will participate in creating Indigenous medicine bags, cook Autumn Vegetable Stew and Bannock, and explore the life of creepy crawly bugs.

QYC Classic Fall PD Days. October 16, November 20

(Ages Kindergarten to 12 Years)

Every PD Day, QYC Classic offers a day full of exciting new activities and experiences. Be a pirate learning about the high seas in October, or join the Carnival and play games with yummy treats in November. A great time to be had by all, your child may never want to leave!

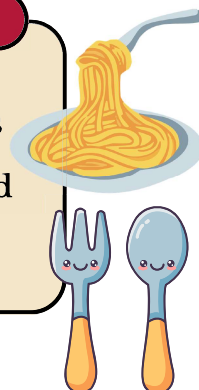

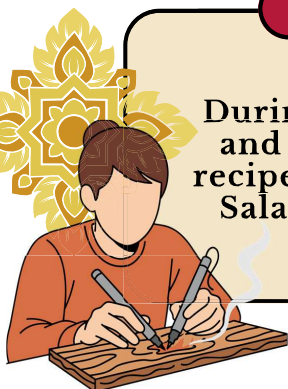

QYC Specialty PD Day. November 20

(Ages Kindergarten to 12 Years)

During select PD days, children can enjoy learning new art methods and bring out their inner chef as they cook up unique and healthy recipes. In November they will prepare homemade Alfredo Pasta and Salad, learn about the art of wood burning and design, and animal hibernation and adaptation.

Sign up for an experience they won't forget!
