## June 2022 News and Views

Dear Parents

June and summer – how lovely. The children have been enjoying the outside at school, planting seeds and plants, practicing their yoga, nature hunts, listening to stories and singing songs under the shady trees and of course some very serious play! Please can you make sure all your children bring **hats and suitable shoes for playing outside**. Unfortunately we have had some sore toes in the past when children have worn flip flops so good solid sandals are much more appropriate when running with their friends. We have a lot going on in the month of June including our Founders Day Fete. All the graduates are working hard on their performance and we look forward to seeing everyone for the graduation and then the whole school fete.

### Hats and shoes

We want to keep your children safe.  
The best hats have wide 360 degree rims and a strap for under the chin  
The best shoes for outside are ones with a solid sole and covered toes.  
Please no flip flops for inside or outside – these cause injury when a lot of children are playing together.
